## SUBJECT INDEX

### Academic Education

Providing a critical care experience for undergraduate nursing students. Menzel LK, Katz SM, Menting SA, Donovan Laack K. (Academic education) Oct:47

### AIDS/HIV

Recognition and management of neonates at risk for perinatally acquired infection with human immunodeficiency virus. Franck LS, Johnson LM. (Neonatology) Aug:74

Antiretroviral therapy for human immunodeficiency virus disease: implications for critical care nursing. Ress BC. (AIDS/HIV) Dec:54

### Alternative/Complementary Therapies

Alternative and complementary therapies: treading tentatively out of the mainstream. Alspach G. (Editorial) Oct:13

Clinical aromatherapy and touch: complementary therapies for nursing practice. Buckle J. (Alternative/complementary therapies) Oct:54

### Cardiac Surgery

Sternal wound infection a case study of a devastating postoperative complication. Hussey LC, Leeper B. (Feature) Feb:31

Frequency of cerebrovascular accident after cardiac surgery. Lindsay M. (Feature) Oct:19

### Cardiovascular

Maximizing cardiopulmonary resuscitation in patients with intra-aortic balloon pumps. Osborn C, Quaal SJ. (Feature) Apr:25

Myocardial infarction: a review of clinical trials and treatment strategies. Casey K, Bedker DL, Roussel-McElmeel PL. (Feature) Apr:39

Dual-chamber pacemakers in the management of severe heart failure. Van Orden Wallace CJ. (Cover article) Apr:57

Cardiovascular chronobiology: implications for critical care nursing. Bridges EJ (Maj), Woods SL. (Cardiovascular medicine) Aug:49

Research utilization and improvement in outcomes after diagnostic cardiac catheterization. Lundin L, Sargent T, Burke LJ. (Feature) Oct:30

Care of patients with an indwelling pericardial catheter. Hamel WJ. (Cover article) Oct:40

Heparin-associated thrombocytopenia: nursing implications. Jerdee AL. (Feature) Dec:38

### Cultural Diversity

Refusal of blood by a critically ill patient: a healthcare challenge. Salipante DM. (Cultural diversity) Apr:68

### Disease Management

Tetanus: critical implications for nursing. Boyles CS, Mills MH, Trupiano P. (Feature) June:44

### Editorial

Protocols for practice: a tool for bringing research to patient care. Fontaine D. (Guest editorial) Feb:15

Chemosensory impairments in the elderly: nothing to sniff at. Alspach G. (Editorial) Apr:16

Nurse-to-nurse recognition. Alspach G. (Editorial) June:16

Patient advocacy: have we ascended to new heights or fallen to new depths? Alspach G. (Editorial) Aug:17

Alternative and complementary therapies: treading tentatively out of the mainstream. Alspach G. (Editorial) Oct:13

Yes, Virginia, there is a Santa Claus in healthcare. Alspach G. (Editorial) Dec:17

### Ethics

Is it worth it? Balancing the benefit of extended life with the cost of suffering during critical illness. Menzel LK. (Ethics) Aug:67

### Families

Transfer anxiety in critical care patients and their family members. Leith BA. (Feature) Aug:24

Toward a standard of care for parents of infants in the neonatal intensive care unit. Gale G, Franck LS. (Neonatology) Oct:62

#### **Managment**

How to succeed in job interviewing. Welton RH, Gonce Morton P, Amig A. (Management) Feb:68

Animal-assisted therapy. Proulx D. (Management) Apr:80

#### **Neurology**

Aggressive management of intracranial dynamics. Arbour R. (Feature) June:30

Viral encephalitis: a challenging diagnosis in an ICU. Campbell JM, Linc LG, Mutersbaugh K. (Cover article) June:58

Frequency of cerebrovascular accident after cardiac surgery. Lindsay M. (Feature) Oct:19

#### **Nursing Care**

Protecting ICU patients from nosocomial infections: practical measures for favorable outcomes. Tasota FJ, Fisher EM, Coulson CF, Hoffman LA. (Cover article) Feb:54

#### **Pediatric/Neonatal**

Management of the pediatric patient in status asthmaticus. Briening EP. (Pediatric) Feb:74

Children visiting in the adult ICU: a facilitated approach. Pierce B. (Pediatrics) Apr:85

Introducing the basic knowledge assessment tool for pediatric critical care nursing (PEDS-BKAT). Runton NG, Toth JC. (Staff development) June:67

Posttransplant lymphoproliferative disease in a pediatric multivisceral transplant recipient. Martin SA. (Pediatrics) June:74

Recognition and management of neonates at risk for perinatally acquired infection with human immunodeficiency virus. Franck LS, Johnson LM. (Neonatology) Aug:74

Toward a standard of care for parents of infants in the neonatal intensive care unit. Gale G, Franck LS. (Neonatology) Oct:62

Successful Use of Extracorporeal Membrane Oxygenation to Treat Severe Respiratory Failure in a Child With a

Scald. Hilt T, Graves DF, Chernin JM, Angel CA, Herndon DN, Zwischenberger JB. (Pediatric) Dec:63

#### **Pharmacology**

Abciximab, a novel platelet-blocking drug: pharmacology and nursing implications. Mayer DM, Docktor WJ. (Feature) Apr:29

Mycophenolate mofetil (cellcept):the newest immunosuppressant. Hoffman RL, Reeder SJ. (Feature) June:50

Use of propofol for sedation in the ICU. Covington H. (Feature) Aug:34

Intraleural fibrinolytic therapy for complicated pleural effusions. Monroe BS, Warner D. (Pulmonary) Dec:73

#### **Pulmonary**

Hantavirus pulmonary syndrome: implications for critical care nurses. Goodman DA, Griego LC. (Feature) Feb:18

Management of the pediatric patient in status asthmaticus. Briening EP. (Pediatric) Feb:74

Laryngeal mask airway: indications and management for critical care. Fetzer SJ. (Postanesthesia) Feb:83

Inhaled nitric oxide therapy for adult respiratory distress syndrome. Burke-Martindale CH. (Feature) Dec:21

Use of pulmonary rehabilitation strategies to wean a difficult-to-wean patient: case study. Jacavone J, Young J. (Feature) Dec:29

Noninvasive ventilatory support: use of bi-level positive airway pressure in respiratory failure. McGowan CM. (Cover article) Dec:47

Successful Use of Extracorporeal Membrane Oxygenation to Treat Severe Respiratory Failure in a Child With a Scald. Hilt T, Graves DF, Chernin JM, Angel CA, Herndon DN, Zwischenberger JB. (Pediatric) Dec:63

Intraleural fibrinolytic therapy for complicated pleural effusions. Monroe BS, Warner D. (Pulmonary) Dec:73

#### **Quality Improvement**

Research utilization and improvement in outcomes after diagnostic cardiac catheterization. Lundin L, Sargent T, Burke LJ. (Feature) Oct:30

#### **Renal**

Renal replacement therapy in critical care: implementation of a unit-based continuous venovenous hemofiltration program. Giuliano KK, Pysznik E. (Feature) Feb:40

#### **Staff Development**

Introducing the basic knowledge assessment tool for pediatric critical care nursing (PEDS-BKAT). Runton NG, Toth JC. (Staff development) June:67

#### **Transplantation**

Andrew's gift. Odom SL. (Transplantation) Apr:77

Posttransplant lymphoproliferative disease in a pediatric multivisceral transplant recipient. Martin SA. (Pediatrics) June:74

Patients waiting for heart transplantation: an analysis of vulnerability. Tahan HA. (Cover article) Aug:40
